25X1 MEMORANDUM FOR: [REDACTED]
 Deputy Director for Policy & Evaluations, OPPPM
 25X1 FROM: [REDACTED]
 D/SSA/DDA
 SUBJECT: Benefits for Overseas Service (U)
 25X1 REFERENCE: [REDACTED]

The referenced telepouch was received in response to our request for suggestions from the field regarding additional benefits that your Committee might consider. While the telepouch does not make too many specific recommendations, I think the topic is at least worthy of our consideration. I request that you add a discussion of evacuation handling and benefits to the agenda of one of our future meetings. (U)
